- Two (2) legibly and fully completed application forms, dated and signed with 2 recent colour passport pictures to be glued on the visa application form. Please do not forget to mention your **legible e-mail address** since the Embassy will contact you by e-mail.
- If you are non-Nigerian, you will have to prove that you are a legal resident in Nigeria.
- Introductory letter explaining the purpose of the travel and the travel details.
- Proof of employment/income of the applicant:
  - if employee: letter of appointment, leave letter, salary slips of the last 6 months+ bank statements of the account of the last 6 months where your salary comes in.
  - if retired: proof of retirement + bank statements of the account of the last 6 months of the account where your pension comes in.
  - if you are an owner of a business: all documents relating to the company (Tax Clearance, Certificate/Memorandum of Articles of Association/Certificate of Incorporation of a Company/Certificate of Registration/Personal Income Certificate), letter of introduction and bank statements of the last 6 months (personal/business).
- If you be staying at a hotel, a daily provision of at least 95 Euros per day should be at your disposal (on top of the daily hotel charges).

- A hotel booking for the period of your stay (internet or E-mail bookings may not be accepted).
- Proof of your travel plans as a tourist (e.g. fully organized and prepaid sightseeing trip, through a Belgian travel agency).
- In case you travel with your family, the marriage and birth certificates will have to be presented.
- Travel Health Insurance covering all Schengen countries for an amount of at least 30.000 €. Please check the website for the officially recognized companies.

### INFORMATION TO NOTE

- Two sets of copies of all previous documents. The documents should be arranged in the above order, and be followed by 2 sets of copies in the same exact order.
- These visa applications have to be submitted to the Home Office in Brussels by diplomatic pouch so processing time is much longer than a short stay visa.
- The verification of the submitted documents can delay or impede the issuance of the requested visa.
- These delays depend exclusively upon the instance that issued the documents.
- When entering the Schengen territory, the Immigration Authorities may want to see any of the abovementioned documents and/or proof of sufficient funds. If you cannot provide these, you risk being sent back home with the next flight, since you do not meet the conditions to enter the Schengen territory any more.
- **Any false statements or documents will lead to your application being rejected. Please note that an incomplete file may lead to a visa refusal.**
- **A complete file does not either guarantee the issuance of a visa. Additional documents may be required to substantiate your visa request.**

### IMPORTANT NOTICE TO ALL BELGIUM APPLICANTS

#### Guarantees for return (assessment of migration risk)

The applicant is requested to provide as much information as possible to document his/her family background, professional and socio-economic status, ownership of land or real estate (for instance: proof of family bonds with his/her country of origin, proof of regular income and stable source of revenues from the applicant and/or his/her partner, proof of property, etc.)

This information is essential to correctly judge the intention of the applicant to leave the Schengen area before the expiry of his/her visa.

**This checklist comprises all documents that are part of my visa-application. I understand that the Embassy will decide on my visa-application based on these documents only. I also understand that in exceptional cases additional documents may be requested by the Embassy, even documents that do not feature on this list at all.**
